

A Liturgical Year

Eastertide 6:

Story Sunday

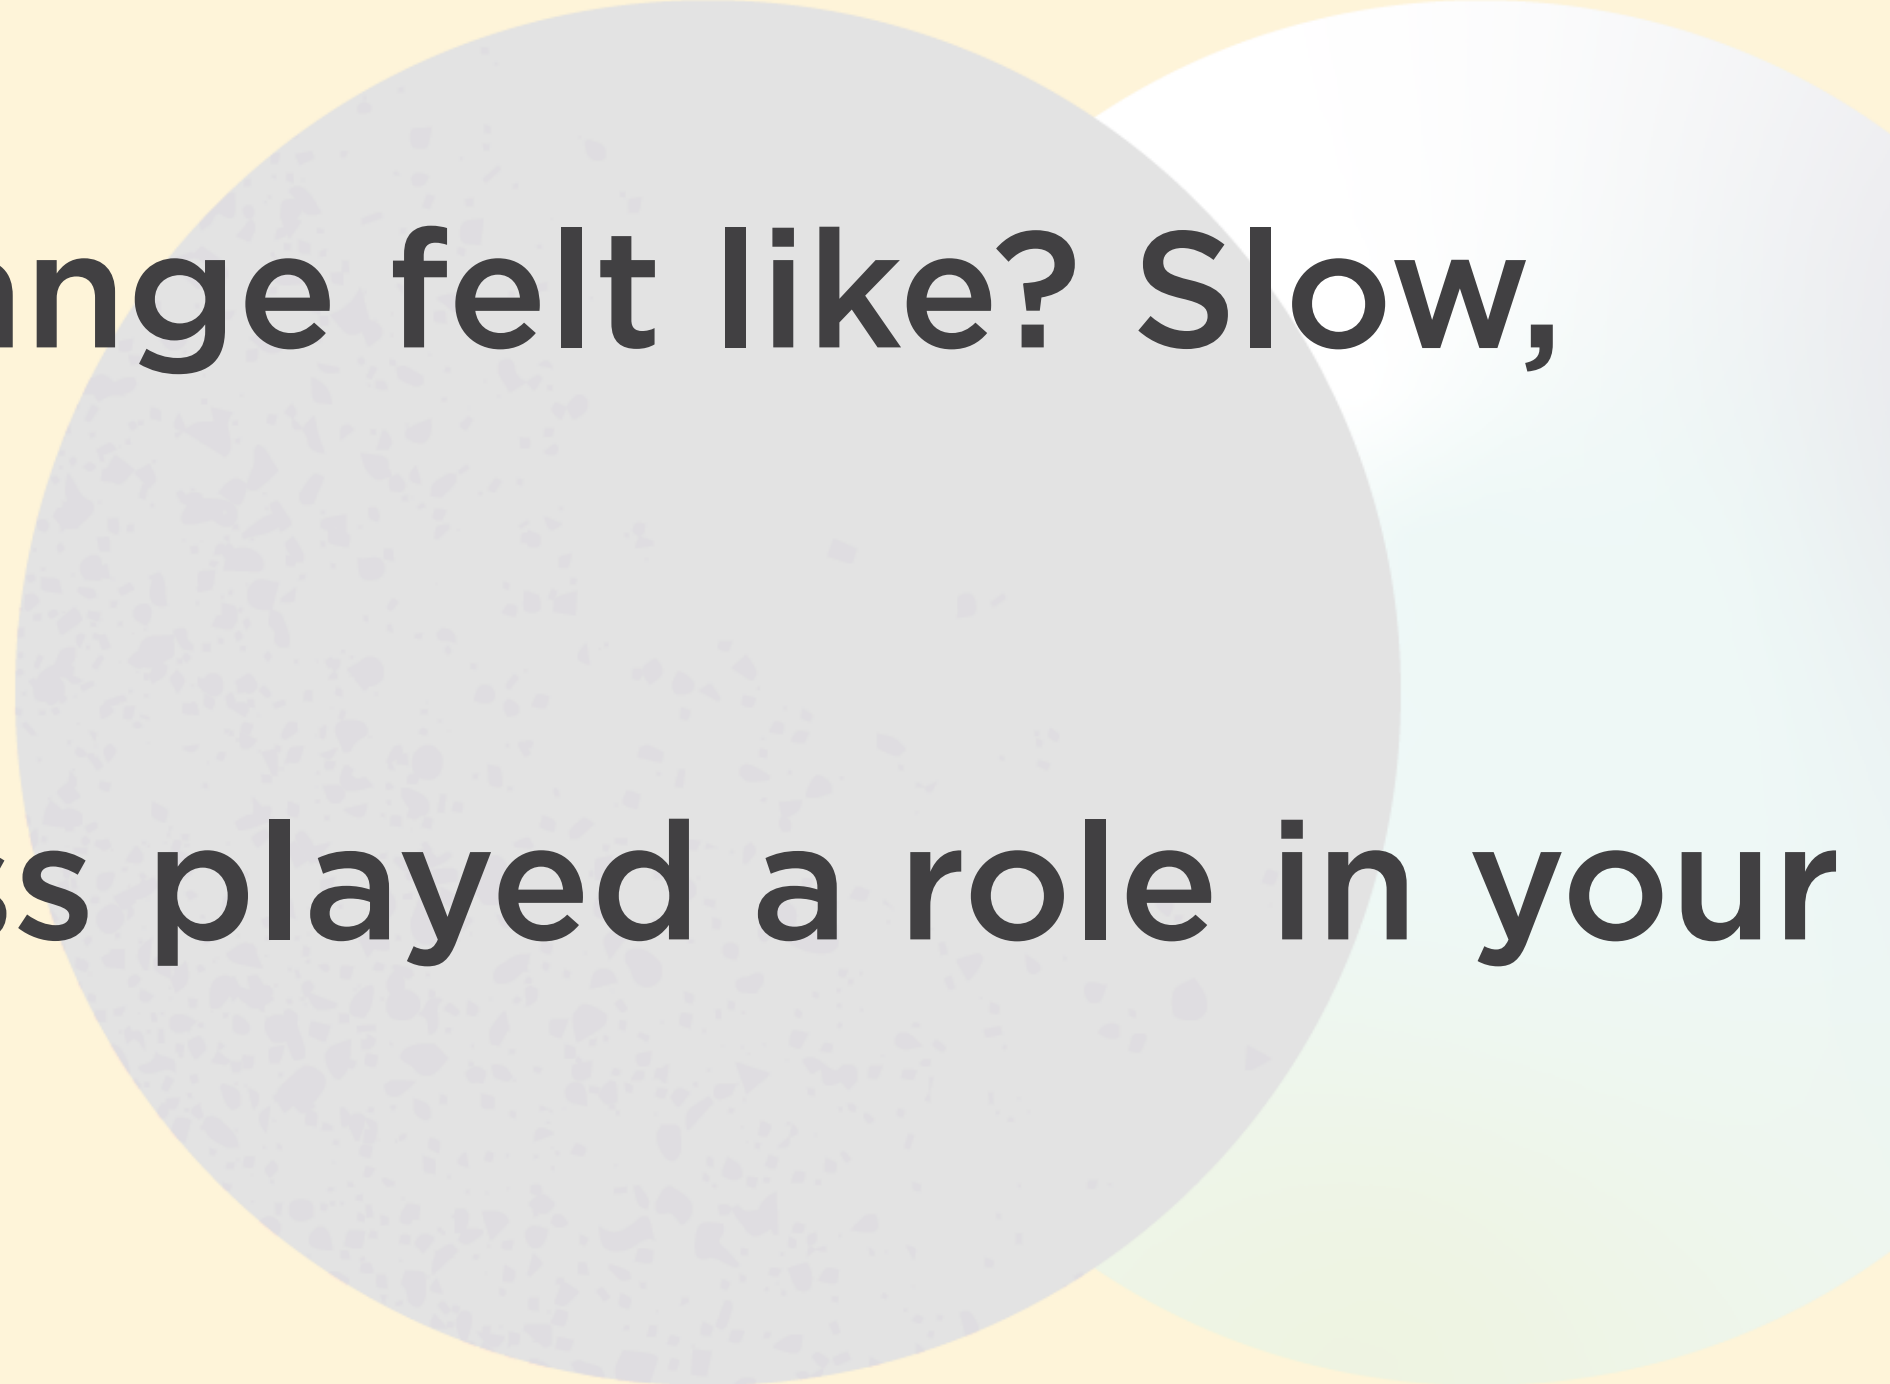

The vision we share is to join God in the renewal of all things, and for us this begins in our lives and neighbourhood. It means seeing Vancouverites transformed into followers of Jesus, practicing His way and becoming like Him in every sphere of life. Our deepest desire is to be changed and to create change.

Change is all there is.

Meg Wheatley

- 
- **Where are you seeing change/shifts within yourself (spiritual, relational, vocational, etc)?**
 - **What's the pace of change felt like? Slow, rapid, sudden?**
 - **How have grief and loss played a role in your growth?**
 - **How might the Spirit be inviting you/us to create change in this season?**

Listen to your body.

Listen to your conscience.

Listen to the Holy Spirit.

**These are not strictly the same thing but
the Venn overlap is strong**
