Retreat with Disciple

And the legal experts who came down from Jerusalem were saying "He's possessed by Beelzebub" + "He drives out demons by authority of the ruler of demons."

and when his family heard, they came to seize him out, for they were saying "He is out of his mind."

Summoning them he began to talk in riddles

"Satan can't drive out Satan. If he does, his house will fall. He would be dividing himself to weakness. No one can plunder the good of God's house unless he's capable of binding God."

"Amen, everything will be pardoned the children of humanity-- their sins and whatever blasphemies they blaspheme. But whoever blasphemes against the Holy Spirit won't ever obtain a pardon" because they had been saying: "He has an unclean spirit."

His mother + brothers came, and standing outside, they sent someone to him, calling for him.

"Look, your mother and brothers are outside seeking you"

"Who are my mother and brothers? -- and looking around at those seated"
